

6th International Advance Computing Conference (IACC - 2016)

27-28 February 2016, S R K R Engineering College, Bhimavaram - 534204,
Andhra Pradesh, India

Pre Conference Workshop on Outcome Based Education and Accreditation

Outcome Based Education (OBE) is an educational system around goals (outcomes). In this system, the classes, opportunities and assessments should help students achieve the specified outcomes by the end of their education.

This workshop brings you a good exposure on ideas and concepts underlying OBE particularly with reference to teaching and learning of engineering and to come up with ideas on how to make engineering techniques learning outcome based and effective.
