

Thapar University

(Established under Section 3 of the UGC Act,1956)

Dear Sir/Madam

Subject: Six Weeks Training in J2EE-Oracle for students

The Computer Science & Engineering Department of Thapar University is organizing six weeks summer training for students of the Engineering and Management institutions from June 9th, 2008 to July 18th, 2008.

The department has the history of providing world-class education and doing research in the latest areas of technology. Department has well trained, experienced and certified faculty for training the students in the latest technologies. Department has state of art infrastructure.

Every Industry is looking forward to fresh recruits who are already trained, tailored and nurtured as per the company's expectations. To make this novel task possible, Department is running this training successfully from last few years.

We, therefore, request you to kindly encourage and motivate few students from your esteemed organization to take advantage of the training. The advertisement pamphlet and registration form for the training are attached for your kind perusal.

With due regards,

Course Coordinator,
Dr. Deepak Garg and Ravinder Kumar
