

Report of the workshop held on 19th April,2013 on *Training for SAR Preparation and evaluation*

The Workshop Started at 9.30 AM with registration of the participants. Despite being a holiday the participants were in the expected numbers, which is a very good sign. Participants also showed keen interest and seriousness in understanding the new procedure of NBA accreditation. In total 56 participants completed the workshop.

Prof. KK Raina, Director, Thapar University inaugurated the event at 10.00 AM in the presence of Prof SK Mohapatra, TEQIP Coordinator and Prof. Shampa Chakravarty, Head, Computer Science, NSIT, New Delhi.

In the first session Dr Deepak Garg elaborated upon the background of the Washington Accord and outcome based accreditation process. Relationship between PEOs, POs, Cos and GAs was also discussed.

In the second session Prof. Chakravarty stressed upon the assessment tools and review process. She also touched upon the continuous improvement mechanism.

In the post lunch session there was lively discussion on various aspects of the SAR sent by different departments. There were few points which need improvements. These points were discussed in detail.
